**** Notice of Joint Seminar****

Title:

An update on MEPC 69 focusing on the Ballast Water Management Convention and MARPOL Annex VI requirements

Programme Highlight:

Mr. Dias will attend the 69th session of the Marine Environment Protection Committee (MEPC) meeting of the International Maritime Organization (IMO) in April. This MEPC session agenda includes discussions on the Ballast Water Management Convention and MARPOL Annex VI requirements. In this technical seminar, he will share with the participants updates from that meeting.

Speaker: Mr. Dias, Richard, C.Eng, FIMarEST, Regional Technical Manager, International Registries (Far East) Limited.

Mr. Dias joined International Registries, Inc. (IRI) / The Marshall Islands Registry in April 2007, and is the Regional Technical Manager for the Asia-Pacific area. Prior to this he spent 15 years at sea, sailing with Denholm Ship Management Ltd., rising to the rank of Chief Engineer. He then spent another 15 years ashore in Hong Kong with Denholm Ship Management Ltd. and Anglo-Eastern Ship Management Ltd. Mr. Dias holds a Marine Engineer Officer Certificate of Competency Extra First Class from the UK Department for Transport. He is a registered Chartered Engineer with the Engineering Council, UK and a Fellow of IMAREST since 1995.

Date: 9 May 2016 (Monday)

Venue: Room HJ 203, Hong Kong Polytechnic University, Hung Hom, Kowloon.

Time: 7:00 p.m. to 8:30 p.m.

Registration & Enquiries:

In order to encourage exchange of ideas, Q&A sessions will be available, and you are welcome to bring up queries, comments, etc. This seminar is free of charge and prior registration is required on first-come-first-served basis. For registration, please complete and return the following slip. CPD certificates will be available. For enquiries, please contact Mr K H LAI by email at laikimhing68@gmail.com
